MONTHLY REPORT

September 2023

Below is a summary of the Ayer DPW's operations for the month of September. The Ayer DPW provides critical essential services to the Town of Ayer including water supply, wastewater collection and treatment, road safety, solid waste disposal, vehicle and equipment repairs and business operations.

Below is a summary of our monthly work project status and a summary of monthly work orders completed.

Engineering and Administration

- Continue evaluation of Stormwater Utility with Tighe and Bond, Advisory Workgroup Meeting on September 12
- Working on 25% Main Street Transportation Improvement Project Design, Design Justification Workbook (DJW) comments received from MassDOT, MassDOT meeting provided verbal approval of our design
- Subdivision inspections – Curley Circle, Panther Place, and Shaker Pond Rd. Processing street acceptance for Curley Circle
- Continue WWTP Phase 3 Upgrade (biosolids dewatering and waste pump upgrades). Project is substantially complete, awaiting long lead time parts to finalize project.
- Implementing plan to operate Woodlawn Cemetery, general maintenance and burials performed, building Cemetery Management Software. Commission met on August 28th, one burial in September
- Continue water meter upgrades
- Processed and approved Road Opening Permits, Trench Permits and Water & Sewer Connection Permits.
- Continued Stormwater Asset Management Grant implementation
- Continue implementing SmartGov permitting software
- Planning and Zoning Reviews, attend PB meetings: 201-205 West Main Street, Stratton Hill, 29 Harvard Road, 42 Park St
- Continued assisting with Kiddie Junction Playground Replacement, bidding advertised
- Assisting Conservation Commission with public access to Flannagan Pond project
- Continue Main and Central Ave Pump Station Valve Replacements
- Continue Main St lights project – work completed in June, awaiting furnishment of flag/banner arms
- Continue assisting Senior Center
- Assist PACE and Silent Springs with water modeling and historic information for public health study
- Select Board – award for Sandy Pond Road Sewer Rehab Project, received update on water supply and West Main BRI, and Sandy Pond Road Complete Street project, West Main Street sewer repair amendment, and Curley Circle street acceptance
- Sandy Pond Road sidewalk or shared use path in-house design (from Beach to Westford Road), held Public Information/Input Meeting on September 13
- Wright Way Pump Station project bid, results were high, evaluating options to move forward. Met with residents and their Attorney.
- Continue working with MassDOT to replace water main on Willow Road near intersection project

- Utility Coordination meetings for West Main Street Bridge
- Continue assisting with Hazard Mitigation Plan development
- Continue to meet with Town's consultant and Army regarding production issues at Grove Pond WTP
- Continue Rate Review Committee process with Transfer Station Rates
- Continue New Well Source Approval – Obtain Concom Permit
- Track and prepare for possible hurricane, thankfully stayed east
