MONTHLY REPORT October 2023

Below is a summary of the Ayer DPW's operations for the month of October. The Ayer DPW provides critical essential services to the Town of Ayer including water supply, wastewater collection and treatment, road safety, solid waste disposal, vehicle and equipment repairs and business operations.

Below is a summary of our monthly work project status and a summary of monthly work orders completed.

Engineering and Administration

- Continue evaluation of Stormwater Utility with Tighe and Bond, Advisory Workgroup Meeting on October 11
- Working on 25% Main Street Transportation Improvement Project Design, Design Justification Workbook (DJW) comments received from MassDOT, MassDOT meeting provided verbal approval of our design
- Subdivision inspections – Panther Place, and Shaker Pond Rd. Town Meeting voted to approve street acceptance for Curley Circle.
- Continue WWTP Phase 3 Upgrade (biosolids dewatering and waste pump upgrades). Project is substantially complete, awaiting long lead time parts to finalize project.
- Implementing plan to operate Woodlawn Cemetery, general maintenance and burials performed, building Cemetery Management Software. Commission met on August 28th, no burials in October
- Continue water meter upgrades
- Processed and approved Road Opening Permits, Trench Permits and Water & Sewer Connection Permits.
- Continued Stormwater Asset Management Grant implementation
- Continue implementing SmartGov permitting software
- Planning and Zoning Reviews, attend PB meetings: 201-205 West Main Street, Stratton Hill, 42 Park St
- Continued assisting with Kiddie Junction Playground Replacement, bids opened
- Assisting Conservation Commission with public access to Flannagan Pond project. Held public information/input forum on October 4th
- Continue Main and Central Ave Pump Station Valve Replacements
- Continue Main St lights project – work completed in June, awaiting furnishment of flag/banner arms
- Continue assisting Senior Center
- Assist PACE and Silent Springs with water modeling and historic information for public health study
- Select Board – execute contract for Sandy Pond Road Sewer Rehab Project, award Kiddie Junction Playground Improvements Project, execute MOU for Curley Circle Subdivision, received update on water supply
- Sandy Pond Road sidewalk or shared use path in-house design (from Beach to Westford Road)
- Wright Way Pump Station project bid, results were high, evaluating options to move forward. Met with residents and their Attorney.
- Continue working with MassDOT to replace water main on Willow Road near intersection project
- Utility Coordination meetings for West Main Street Bridge

- Continue assisting with Hazard Mitigation Plan development
- Attended MEMA tabletop exercise with other Town Departments at Fire Station
- Continue to meet with Town's consultant and Army regarding production issues at Grove Pond WTP
- Rate Review Committee recommend to SB Transfer Station Rates at public hearing
- Continue New Well Source Approval – meet with Division of Fisheries and Wildlife for permitting
- Prep equipment for winter snow removal
