

Variance Request for Outdoor Water Ban Outdoor Water Use Ban

Date: _____ (Estimated) Completion Date: _____

Name: _____

Address: _____ Zip: _____

Phone Number: _____ Email: _____

- Include written justification on why the variance is needed (include date of installation): _____

- You will be contacted within 3 business days of receipt of variance request with notification of approval or denial. No citations will be issued for the property while the application is pending.
- Receipt and approval of this notice by Town of Ayer DPW Water Division allows the applicant to irrigate a newly installed landscape according to the following schedule:
 - **Days 1 through day 10 after new lawn / landscaping installation:** may water daily, not between 9am – 7pm;
 - **Days 11 through day 30:** may water every other day (odd –even), not between 9am – 7pm;
 - **Days 31 through 40:** may water every third day, not between 9am – 7pm.
 - After day 40, the property must adhere to the current water use restrictions.
- Hand-watering is permitted at any time.

Eligibility:

- (1) Newly installed lawns and landscaping (within time frame above)
- (2) Installed as part of a governmental entity's capital improvement project
